interested of the time and place appointed for the hearing, the commissioner shall hold a hearing and, after hearing such parties, may make such order relating to the sale of such ice as, in his judgment, the public health requires. [Ordinance adopted Mar. 27, 1911.]

TRENTON, N. J.

ICE—PRODUCTION, SALE, AND USE.

SEC. 95. That no person shall cut, bring, sell, or use any ice within the limits of the city of Trenton whenever, in the judgment of the board of health, the same is unfit for use; and any person who shall violate any of the provisions of this section, or who shall attempt to cut, bring into, sell, or use any such ice after being notified by the said board of health, or its officers, not to do so, shall forfeit and pay a penalty herein-after named.

SEC. 96. That no person shall cut ice for the purpose of selling or using it in this city from any pool, creek, or river within the corporation limits thereof, without first obtaining from the board of health a permit for such cutting, and no person shall manufacture, sell, or deliver any ice in said city of Trenton without first obtaining a permit from the said board therefor.

SEC. 97. That no such permit as set forth in the next preceding section shall be issued by the board of health until there shall have been paid to the said board for the issuing thereof and for the proper supervision of the cutting and selling of ice the sum of \$2.

SEC. 98. That each permit so to be issued as set forth in the three sections next preceding shall continue for the term of one year from the 1st day of January preceding; provided, that no such permit shall be issued, or any such permit so issued shall be revoked, if, in the judgment of the board of health, the use of any ice so cut, sold, or delivered, or to be cut, sold, or delivered under the same, is or would be detrimental to the public health. [Art. I. Sanitary code adopted Aug. 1, 1910.]

SAN FRANCISCO, CAL.

MEAT AND MEAT PRODUCTS—PREPARATION AND INSPECTION.

SECTION 1. No person, firm, or corporation shall expose or offer for sale, or sell or otherwise dispose of, or have in his possession within the city and county of San Francisco, any meat of any cattle, calf, sheep, lamb, goat, or swine which does not have upon it the meat-inspection brand or other mark of identification of the board of health of the city and county of San Francisco, or the meat-inspection brand or other official mark of identification of boards of health of the State of California whose meat-inspection standard is equal to and recognized by the San Francisco Board of Health or the meat-inspection brand or other mark of identification of the United States Department of Agriculture. If any carcass of any animal hereinbefore named, or part thereof, is found, offered for sale, or exposed within the city and county of San Francisco which does not bear any of the meat-inspection brands or marks recognized by the board of health of the city and county of San Francisco, said board of health shall take possession of and destroy such meat.

SEC. 2. No person, firm, or corporation shall ship, send, bring, or cause to be brought into the city and county of San Francisco the meat of any cattle, sheep, lamb, goat, or swine which does not bear the meat-inspection brand or other mark of identification recognized by the board of health of the city and county of San Francisco.

SEC. 3. The carcasses of calves in good healthy condition and over 4 weeks of age may be brought into the city and county of San Francisco, and each of said carcasses of such calves must be inspected and stamped or marked by the San Francisco Board of Health at the point of arrival of said carcasses of such calves in the city and county of San Francisco.

SEC. 4. An ante mortem examination shall be made under the direction of the board of health of the city and county of San Francisco of all cattle, sheep, swine, or goats about to be slaughtered before they shall be allowed to enter the slaughtering pen. All animals showing symptoms of or suspected of being affected with any disease or condition which under the regulations of the board of health of the city and county of San Francisco would probably cause their condemnation in whole or in part when slaughtered shall be marked by affixing to the animal a metal tag bearing the words, "San Francisco Board of Health suspect." All such animals shall be slaughtered separately.

SEC. 5. A careful post-mortem inspection under the direction of the board of health of the city and county of San Francisco must be made of all animals herein named

at the time when slaughtered in the city and county of San Francisco. The head, tongue, tail, thymus gland, and all viscera of each animal shall be retained in such a manner as to preserve their identity until after the post-mortem examination has been completed in order that the parts so retained may be identified in cases of condemned carcasses. Suitable racks or metal receptacles shall be provided in and by each slaughtering establishment for retaining said parts.

SEC. 6. All carcasses, meats, or meat-food products which are unsound, unhealthful, unwholesome, or otherwise unfit for food shall be stamped or otherwise marked by the board of health of the city and county of San Francisco, "San Francisco Board of Health inspected and condemned," and shall be destroyed.

SEC. 7. All meats or meat-food products offered for sale in the city and county of San Francisco shall be subject to reinspection and condemnation at any and all times by the board of health of the city and county of San Francisco.

SEC. 8. The board of health of the city and county of San Francisco is hereby authorized and directed to adopt rules and regulations governing the sanitation of slaughterhouses and establishments where meat-food products are sold or manufactured, the inspection of meats and the ultimate disposal of condemned meats, in addition to the provisions of this ordinance, as will enable the said board of health to enforce and carry out the meaning and intent of this ordinance. The standard of meat inspection shall be that adopted by the United States Department of Agriculture.

SEC. 9. It shall be unlawful and a violation of this ordinance for any person, firm, or corporation, or officer, or agent, or employee thereof, to forge, counterfeit, simulate, or falsely represent, or without proper authority to use or detach, or knowingly or wrongfully alter, deface, or destroy any of the stamps or marks or brands or tags recognized by the board of health of the city and county of San Francisco on any cattle, calf, sheep, lamb, goat, or swine, or any carcass, or on any part or parts of any carcass or carcasses of any animal named in sections 1, 2, and 3 of this ordinance.

SEC. 10. Any person, firm, or corporation, or other agents, violating any of the provisions of this ordinance, or failing to comply with any direction or order of the board of health of the city and county of San Francisco given pursuant to the provisions of this ordinance by the health officer, or any other agent of said board of health, shall be guilty of a misdemeanor, and upon conviction thereof shall be punished by a fine not less than \$50 nor more than \$500, or by imprisonment in the county jail for a period of not less than 10 days nor more than 3 months, or by both such fine and imprisonment.

SEC. 11. Each day that the violation of this ordinance or the failure to comply with the directions of the board of health of the city and county of San Francisco, given in accordance with this ordinance, shall continue, shall constitute a new and separate offense, and be punishable accordingly, as herein provided.

SEC. 12. All ordinances and parts of ordinances in conflict with this ordinance are hereby repealed.

SEC. 13. This ordinance shall take effect immediately. [Ordinance approved Aug. 1, 1910.]

TRENTON, N. J.

MEAT—INSPECTION, SLAUGHTERING, HANDLING, AND CARE.

When animals may not be killed.—SECTION 1. No cattle, sheep, or swine shall be killed for human food within the limits of the city of Trenton while such cattle, sheep, or swine are in a diseased, overheated, feverish, or exhausted condition. No calf, or any part thereof, which shall be less than 4 weeks old; no pig, or any part thereof, which shall be less than 5 weeks old, and no lamb, or any part thereof, which shall be less than 8 weeks old; shall be killed for human food, or shall be kept or offered for sale.

Quarantining of animals.—SEC. 2. It shall be the duty of every inspector or other officer of the board of health, when any cattle, pigs, or lambs shall be found in a diseased, overheated, feverish, or exhausted condition, or when any calves, pigs, or lambs shall be found within the ages respectively named in the preceding section of this code, and said animals, or any of them, shall be intended to be used for human food, to immediately attach to any such diseased, overheated, feverish, exhausted, or underaged animal, or to the pen or stall in which any such animal or animals may be confined, a label or tag on which shall be written or printed the words "Quarantined by the board of health, Trenton, New Jersey;" such inspector or other officer shall immediately report such quarantine at the office of the board that proper action may be taken relative thereto.

SEC. 3. No person or persons, corporation or corporations, other than an inspector or other officer of this board, shall destroy, deface, conceal, interfere with, or remove any label or tag so attached to any animal, stall, or pen. No person or persons, corporation or corporations, shall remove any animal as aforesaid quarantined, or kill any such
